## February Meeting

More than 40 women attended the February Women's Club meeting at Northern Lights Recreation Center, where they learned about Ladies of the Light — women who oversaw lighthouses in Michigan.

Dianna Stampfler, freelance writer and author of Michigan's Haunted Lighthouse, shared stories about almost a dozen

women who worked as government employees managing lighthouses around the state from the 1870s through the 1950s. Some helped their husbands maintain these lighthouses while others did this important job solo.

### Odds & Ends:

- ◆ Sign-up sheets for the Art Fair on July 26 will be circulated at the next few meetings. In particular, two women are needed to shadow Carolyn Whittle and Linda Rossman, who are overseeing the kitchen this year, so they can take over this job in 2024. If you would like to work on a particular committee for the Art Fair, please email Lynne Zimmer (lszim5212@gmail.com).
- ◆ D&W is discontinuing its receipts-for-dollars program, so please turn in any receipts you have collected ASAP, since the program ends on March 1, 2023. The group will receive different gift cards for the points collected to date.
