Summertime fun at Pond Hill Farm

It was a perfect summer day to enjoy a picnic lunch at Pond Hill Farm and hear about all the wonderful projects Northwest Michigan Habitat for Humanity is working

on from Development Officer Miranda Fisher, who is also a Women's Club member. After explaining how the organization works with clients, she then highlighted a key fundraising project — Foundations for Our Future — which plans to have 43 homes ready for clients by 2025. To learn more about this and other programs visit the website at: www.northwestmihabitat.org.
