November Meeting

Harbor Springs Historical Society Curator Beth Wemigwase offered an intriguing program to the 50 plus women who attended the Nov. 9 meeting. After explaining the roots of prohibition in the U.S., she went on to share the history of how some key bootleggers operated in the Harbor Springs area.

Bonnie Kulp, Harbor Springs Chamber of Commerce executive director, who attended the meeting, thanked the group for its

participation in the Chamber. She also expressed enthusiasm for the 2023 Art Fair which will be held on July 26. Anyone interested in helping should contact Bonnie at the Chamber office. Co-chairs for the event are needed. Proceeds will be split 50/50 between Women's Club and the Chamber.
