2019-20 Dues Extends Through 2020-21

Because of the pandemic, Women's Club has not been able to hold meetings at local restaurants since March. It is now apparent the group will probably not be able to have face-to-face meetings until 2021.

As a result, at its June meeting, the board voted to have the 2019-2020 dues cover 2020-2021.

In addition, most of the board members have agreed to stay on the board until the fall of 2021, since the club won't be able to have regular meetings this fall when board officers and directors are typically nominated and elected.

Garden Party Plans

The Program Committee is considering having a Garden Party in either August or September, depending on what happens regarding the governor's restrictions on the size of group meetings.

This event might be held on the Nub's Nob deck, depending on its availability, or at Carolyn Whittle's home, since she has a large backyard that could accommodate a large group.

In Memorium

Beverly Paisley, a long-time Women's Club member, died on June 9.

*Donations in her memory may be made to
the McLaren Cheboygan Hospice House
or the Northern Michigan Animal Rescue Network.*
